PRODUCT WARRANTY COVERAGE

A-C Fire Pump undertakes to remedy defects in their products under these conditions:

- The faults are due to defects in design, materials, or workmanship.
- The faults are reported to a local sales and service representative within the warranty period, as described in the Terms and Conditions of Sale provided with the Sales Contract.
- The product is used only under the conditions that are described in this manual.
- The monitoring equipment that is incorporated in the product is correctly connected and in use.
- All service and repair work is performed by qualified personnel.

LIMITATIONS

The warranty does not cover defects that are caused by these situations:

- Deficient maintenance.
- Improper installation.
- Modifications or changes to the product that are made without consulting an A-C Fire Pump authorized representative.
- Incorrectly executing repair work.
- Normal wear and tear.

A-C Fire Pump assumes no liability for these situations:

- Bodily injuries.
- Material damages.
- Economic losses.
